Teen, Young Adult & Sports

English Description: © Incognito Publishing Press, U.S.A.

Life is better when we can all laugh at ourselves just a little.

NEVER FOUL A JUMP SHOOTER: A Guide To Basketball Lingo, Lessons and Laughs, began as the author having fun with a few quirky basketball expressions, such as “penetrate and dish” and “a foul waiting to happen.”

But then it just kept growing into a humorous look at wonderfully colorful basketball expressions. But this is not a dictionary. Or a story with beginning, middle and end. The next time you’re watching a game and you hear an announcer say, “The bank is open,” or a post-game interviewer ask a player, “How big was this win?” and the player answer, “It was huge,” or hear a player “thanking God” after a victory, just open this book, find the term and have a chuckle.

Because basketball is about life, and life is better when we can all laugh at ourselves just a little.

Praise from readers

“This is a delightful read. Informative but humorous and invitation for getting into the unique vocabulary of our favorite worldwide sport, basketball.”

– Don R. Riggs

“Exceptionally well written, organized and presented, ... *Never Foul A Jump Shooter: A Guide to Basketball Lingo, Lessons and Laughs* is a ‘must’ for all basketball fans and would make an enduringly popular addition to community library Sports & Athletics collections.”

– Midwest Book Review

Self Test...

What is an

***Advance* in book publishing?**

Advance - a compensation paid to an author once the author's book is contracted but before it is published. Typically, one-half of the advance is paid upon signing of the contract, the remaining half upon delivery of the final manuscript. Advances are paid against future earnings (royalties), which means the author doesn't receive royalty payments until the advance has been "earned out."
