## Buon Giorno, First Name !

I'm just dropping in to see how you're doing with this month's four results-getting resources from my [EXPLORE & NAVIGATE](#) mentoring sessions helping you to unlock and maximise your global sales and foreign rights licensing potential in a way, that feels more creative, more joyful, more fulfilling.

Remember, this month we're focusing on attracting, engaging, informing an international audience. Feels sooo exciting!!!

#### **As a quick reminder, here's this months' resources round-up:**

- #1. [Your ultimate cyber-security starter guide](#)
- #2. [Permission to go \(and grow\) slowly and BE EXTRA KIND with yourself](#)
- #3. [How to create amazing translated licensing material for global reach](#)
- #4. [How to get started with photography to inspire a worldwide audience](#)

#### **If you haven't started yet, and if part of you is wondering if you should wait until 2021, read on.**

Don't blow this off. Just make a point to use your time wisely. There're always chances and opportunities arising from a crisis. Schedule some time to dive in and get the (transition) work done.

And please, First Name, share your wins with me, so that I can throw confetti and celebrate with you!

I'll see you next Monday for another purposeful resource to get you closer to your dreams and an international foreign rights licensing business that loves you back.

Stay safe and healthy, First Name!

I believe in you 100%.

Sending you SO much love 💖 and continued strength!  
xoxo Claudia
